

California College of the Arts Student Health Insurance Plan 2022 – 2023

Who is Eligible for the Plan?

Students: California College of the Arts is committed to ensuring all students have the appropriate resources to uphold their physical health and wellness. Per CCA policy, all students who are registered at 12 or more units per semester (9 units per term for all graduate students) are automatically charged for and enrolled in the [CCA student insurance plan](#) unless they submit an approved insurance waiver that meets all of CCA's minimum requirements, by the established deadline (which is typically aligned with the end of the Add/Drop period).

The CCA student insurance plan includes:

- Health Insurance Coverage (through Aetna)
- Dental and Vision Insurance Coverage (through Anthem Student Advantage)
- One Medical Membership (healthcare provider).

Dependents: Coverage for dependents (spouse/children) is available for purchase at www.jcbins.com.

EPO Network:

The CCA-sponsored Student Health Insurance plan provided through Aetna will be changing from a PPO plan to an EPO plan effective August 1, 2022. An EPO Plan (Exclusive Provider Organizations) is a lot like an HMO, in that they don't cover care outside the plan's provider network.

Effective August 1, 2022 the CCA Student Health Insurance Plan will no longer cover benefits for services provided by non-preferred providers or facilities (Emergency Room and Ambulance excluded).

If you are currently under the care of a non-Aetna provider you may continue your care, however benefits will not be paid for services rendered.

If you wish to locate an Aetna provider, you can do so by utilizing Aetna's DocFind tool located at <https://www.aetnastudenthealth.com/en/school/686151/index.html>
