

CCA Fall 2020 Online

ACCESS

We are committed to an equitable educational experience

CONSIDER THIS

- Develop new ways to engage in your creative practice
- Review course materials from wherever you are and as often as you need
- Access technologies internationally
- [Tailor course content to your unique learning style](#)
- [Explore technology and submit an ETS ticket for support](#)

CONNECTION

We are committed to creative ways to come together

CONSIDER THIS

- Discuss with peers through online platforms
- Receive faculty mentorship and feedback
- Broaden your connection to CCA with online campus-wide events
- [Ask an LRC coach for tips \(they're online students like you!\)](#)
- [Contact your instructors whenever you have a question](#)

PROGRESS

We are committed to your professional and academic goals

CONSIDER THIS

- Progress towards your degree through a flexible curriculum
- Learn to work in an online environment
- Level-up your online communication skills and global social network
- [Retain OPT/CPT as a full time international student](#)
- [Make an appointment with CCA staff for guidance and support](#)

LIVING

We are committed to your safety and success

CONSIDER THIS

- Live in CCA housing with social distancing precautions
- Explore financial aid options as a full- or part-time student
- Develop work/life balance skills with other CCA students and faculty online
- [Weave online coursework into your day \(LRC coaches can show you how\)](#)
- [Ask for the help you need through emergency funding](#)

Which statements most resonate with you?

- I want to follow the recommended sequence and graduate as soon as possible
- I want to explore new ways to engage in my creative practice through online learning
- I need full-time status to remain eligible for visa, financial aid, etc. (see Workday Academics Dashboard)

FULL TIME

***12 units for undergraduate
(graduate programs vary)***

NEXT STEPS

- Meet with your [Advising](#) contact for academic planning guidance
- Connect with [LRC](#) and [Career Development](#) for coaching and networking

- I want to make progress towards my degree at my own pace, even if it extends my time at CCA
- I want to balance my coursework with other responsibilities and continue on my career path
- My current situation does not require full-time status (see Workday Academics Dashboard)

PART TIME

***Fewer than
12 units or less for undergraduate
(graduate programs vary)***

NEXT STEPS

- Meet with your [Advising](#) contact for academic planning guidance
- Connect with [ISAP](#), [Financial Aid](#), [Health Insurance](#), etc.

- I need to take time to focus on other responsibilities
- I would benefit from time to explore opportunities independently, even though my graduation will be delayed
- I want to explore alternate paths to develop my creative practice and return with new perspective

LEAVE OF ABSENCE

***1-2 terms off for undergraduate
1 year off for graduate***

NEXT STEPS

- Meet with [Program Chair](#) for guidance on options and how to stay connected
- Connect with your [Advising](#) contact to complete the [Leave of Absence](#) process
