

We as R.O.T.C. cadets know that tomorrow's business, governmental, and professional activities need top men who have the ability, will, and opportunity to prepare for positions of responsibility, and leadership. R.O.T.C. cadets are those superior men.

Our motto and solemn oath:

**MY LAI  
WE LIE  
THEY DIE**

Support our program; as you can see, we have a lot to offer.
