Hello!

Welcome to Founders Hall

Hello everyone!

One of the many fun things that come with being a Resident Advisor (R.A.) is that we get to decorate the inside of our building, for example, our halls and doors. That way it feels more warm and cheerful. This year we chose "Time Travel" as the theme, you will be able to find multiple eras in human history throughout the building's halls. One of my favorite parts is the stairs and elevator.

The stairs are designed as the transition of one era to another, while the elevator is the time machine that will allow us to travel rapidly between time.

All of the R.A.s hope that you enjoy these decorations made specially to make you feel welcome, have a great start of the semester!

ABOUT FOUNDERS HALL

Hello new residents of Founders Hall! It is so exciting to finally welcome residents into this building. We hope you all are just as excited to live here as we are to have you!

Since Founders is a new building, we wanted to provide some information that will help you settle in and feel comfortable in your new space!

- Wifi and Password: Founders - ChimeraCCA
- The heaters in your rooms are connected to a sensor on your window. If your window is open, your heater will automatically turn off. Make sure your sensors are lined up!
- Please do not put food down any sink (even the one in the kitchenette)! This will clog the sink and result in a charge. Food in the sinks attracts gnats! Instead, dispose of your food waste in a compost bin.

- Don't sit on the countertops, please! The material is not intended to support the weight of someone sitting on it.
- Laundry facilities are located on each floor, and the machines accept credit/debit cards! It is \$2.50 for wash, and \$2.00 to dry. But during the quarantine, you won't be able to access them.
- During the said quarantine, there will be designated days for trash pick up! Every Monday, Wednesday, and Friday put out your trash (separated correctly in their respective bags) outside your door by 10 am!

QUICK POLICIES

COMMUNITY STANDARDS

Founder's Hall is a brand new building - and you are one of the first students to live in it! There are so many exciting planned events coming your way to ensure that you have the best experience possible. One of the ways we make sure everything works smoothly is by implementing our policies.

During the 14 day quarantine, reading this helpful *sample* of our community policies will get you on the right track.

More CCA standards can be found when searching "[Student Code of Conduct](#)" and "[Student Handbook](#)" on the [CCA Portal](#).

SECURITY

- ❖ When you're able to leave the room, make sure to carry your CCA ID at all times!

DRUGS

- ❖ The unlawful possession, use, or distribution of illicit drugs and alcohol is prohibited on college property
- ❖ Residential education does not permit the use of marijuana for any purpose in the residence halls

QUICK POLICIES

COMMUNITY STANDARDS

THE BUILDING

- ❖ Willful destroying, damaging and tampering - like marking on the walls - is not permitted
- ❖ Light fixtures, smoke detectors, carbon monoxide detectors, and sprinklers are not to be tampered with!
- ❖ Remember, any common areas are not to be used for personal storage
- ❖ Water-filled furniture isn't to be brought into the residence halls
- ❖ Besides service/ESA animals, there should be no pets besides fish in a tank no more than 5 gallons
- ❖ Use hanging/mounting putty or painters tape to hang pictures on walls - not push pins, thumb tacks, nails, mounting squares, or scotch tape
- ❖ No food should be going down any drains.

NOISE

- ❖ COURTESY HOURS are in effect at all times. Noise should not be audible between different floors
- ❖ In QUIET HOURS, noise should be limited to rooms, and hallway noise at a minimum. These are SUNDAY-THURSDAY 11pm-8am, and FRIDAY-SATURDAY 1-9am

ALCOHOL

- ❖ Any room that houses persons under 21 are considered "dry" rooms - with no alcohol allowed in any way
- ❖ Only residents age 21 and older may be in possession of alcohol
- ❖ Alcohol-related decor is not allowed
- ❖ Shot glasses and other means for rapid consumption of alcohol is prohibited
- ❖ **THE AMNESTY POLICY;** if student/s seek medical help or staff assistance due to a violation of the Student Code of Conduct, the college will not enact conduct actions

SAFETY

- ❖ There should be no possession or use of weapons and ammunition. This includes toys and replicas
- ❖ Flammable liquids or solvents are not permitted, along with candles and incense.
- ❖ Smoking is prohibited on campus residences
- ❖ Do not throw, pour, or drop anything from the windows
- ❖ Residents should not leave food items unattended on the stove at any time
- ❖ Strands of holiday lights are limited to no more than 3 strands plugged in to each other
- ❖ No flags/banners/other cloths may be hung from ceilings or walls

TUESDAY

SEPT 9 @ 3:30 PM

Movie Night!

With RA Tony & Mikayla

TUESDAY

SEPT 9 @ 6 PM

Scribbl.io Event

With RA Dylan, Olive, & Tony

WEDNESDAY

SEPT 10 @ 7 PM

CCA Cribbs

With RA Seth, Amanda, & Nicole

THURSDAY

SEPT 12 @ 7 PM

Mask 4 Mask

With RA Quinn, Alistair, & Liza

THURSDAY

SEPT 13 @ 7 PM

Navigating SF During COVID

With RA Seth, Olive, & Tony

KEEP OCCUPIED

THINGS TO DO IN QUARANTINE

-  Watch your favorite TV Show
-  Call your friends/Family Member
-  Play your favorite music and dance
-  Take time to reflect: What goals are you setting for yourself this academic year?
-  Create your ultimate music playlist

Online Learning Tips

Be careful while your camera is on to avoid awkward situations.

If you're going to eat during your online classes, please turn off your microphone.

Try to pay attention during your online classes, even though it may be tempting to open up other background tabs.

Avoid sleeping in or missing your online classes.

SUSTAINABILITY

San Francisco sends less trash to landfills than any other major US city. How do we do it? It's through our three-way sorting system that divides waste between trash, recycling, and compost. When first starting to use this system, it might be a little confusing so we have provided a guide to help you!

Trash/Landfill

Not much goes in the trash! Items that belong here include toothpaste tubes, potato chip bags, candy wrappers, menstrual products, pet waste/litter, and condiment packets

Recycling

Recycling is essentially taking old materials and using them to make something new. Waste that can be recycled includes bottles, cans, cartons, cardboard, and paper items.

Compost

Composting is using organic, decomposable materials to make nutrient rich fertilizers. Things that can be composted include food scraps, egg shells, tea bags, and biodegradable bags/utensils. The rule of thumb is: if it's food, then you can compost it!

PLACES TO GO IN SAN FRANCISCO

Palace of Fine Arts

The Palace of Fine Arts is located in the Marina District of San Francisco, California. It is a monumental structure originally constructed for the 1915 Panama-Pacific Exposition in order to exhibit works of art. Apart from its historic legacy, the landmark is a great location for picnics, plein air painting, or bike rides around the lagoon.

Chinatown

San Francisco's Chinatown is the oldest Chinatown in North America and the largest Chinese enclave outside Asia. Several souvenir shops, karaoke bars, and dim sum joints line the bustling streets of Chinatown, making it one of the most frequented neighborhoods by tourists.

Pier 39

Pier 39 is a shopping center and popular tourist attraction located on the edge of Fisherman's Wharf. While visiting the pier, make sure to grab a clam chowder and head to the marina to watch a herd of lions hauled out on some floating docks.

NEWSLETTER AUG 31 - SEPT 13

THANK YOU

Welcome to Founders Hall! We are all very excited to have you here and are excited to kick off the semester. Stay tuned for upcoming newsletters throughout the semester!
