CCA FACILITIES PAINTING CART CHECKLIST

Please return in good working order by doing the following when done:

For any rollers used:

- Remove the used nap cover and dispose of it in a landfill (gray/black) bin.
- Wash and dry the metal frames.

For any brushes used:

- Wash the brushes until the water runs clear.
- Wrap loosely in a paper towel and ensure they are laying flat on the cart.

For any trays used:

- Remove the used plastic cover and dispose of it in a landfill (gray/black) bin.
- Rinse and dry the metal tray.

For any spackle knives used:

- Thoroughly wipe off any spackle remaining with paper towels (dispose in landfill bin), do NOT wash spackle down the drain.
- Ensure spackle container is completely closed

Fold up tarps and return all materials and tools to the cart.

Ensure paint containers are completely closed.

Thank you!
