

Transition, Trust, & Transformation Initiative

All Staff Meeting 6/22/23

Objective

Identify and explore CCA's most immediate challenges and opportunities for the College. Broaden input and cultivate shared knowledge and inclusive practices so to build and sustain community-wide trust and empowerment. Ensure the College thrives into the future and supports the transition to new leadership.

Activities, Outcomes, Timing

Key Activities: Deep dives, "learning labs" & stakeholder engagement, team-based projects, field research and synthesis, proposal development, and strategic goal setting.

Outcomes: sustained community engagement & knowledge sharing; greater collaboration among college leaders and a broader team of CCA Staff, faculty and Students; identification and documentation of opportunities and challenges; potential pathways and deliverables.

Timeline: Launched at Senior Cabinet Retreat on May 24th, continues through Spring 2024 with engagement from broader community and the incoming President beginning in Fall 2023.
