

Protect your teeth and your overall health

With a dental plan from Anthem Student Advantage

Finding an affordable dental plan isn't always easy. Now, through Anthem Student Advantage you can access high-quality dental care at a cost that may work for you. Regular dental care is important as checkups can detect early warning signs of serious health problems, when they are easier to treat. That means taking care of your teeth can help protect your overall health.

Who is eligible?

Individual dental plans, effective **August 1, 2022** are available to all students who enroll in the California College of the Arts student health insurance plan.

Online tools can help you manage your dental benefits

- › **Ask a Hygienist.** A team of licensed dental professionals will answer your questions via email within about 24 hours.
- › **Dental health risk assessment.** This easy-to-use online tool can help you better understand your oral health and risk factors for tooth decay, gum disease and oral cancer.
- › **Dental care cost estimator.** Look up estimates for common procedures and treatments from network dentists, so you can plan ahead.
- › **Sydney Health app.** Find dentists in your network and view your claims right from your mobile device.
